These procedures are based on United World Wrestling (UWW) rules and regulations as presently known and understood and are applicable to all competitors.    a. Once a 2021 Senior World Championship medalist or 2020 Olympic medalist has declared his or her acceptance of the automatic berth to Final X, that medalist is ineligible to compete at the World Team Trials Challenge Tournament at any weight in such wrestling style. This restriction only pertains to not competing within the same style at the World Team Trials Challenge Tournament once they have declared their acceptance to Final X.

C. World Team Trials Tournament

1. Seeding
   a. Wrestlers will be seeded by a seeding committee (see committee composition in (c) below). Seeding will be done via conference call/video call/virtual call the week of the event.

      i. If a majority vote can’t be reached on a motion, then there will be a second round of voting that only includes the top two athletes based on number of votes. All voting representatives will be required to vote (no abstentions are allowed).
c. The seeding committee shall consist of one coach or representative of each of the USAW registered clubs/RTC entered in the World Team Trials Challenge Tournament (regardless of the number of athletes each club/RTC has in the event) as well as one representative from each of the three National Clubs (Sunkist Wrestling Club, Titan Mercury Wrestling Club, New York Athletic Club).

D. Delays or Replacement Due to Injury or Illness

1. Only a 2021 Senior World Championship medalist or 2020 Olympic medalist who earned an automatic berth into the final wrestle-off can request a delay of the Final Wrestle-Off for medical reasons. This request must be submitted as set forth in (a) below at least 48 hours prior to the scheduled weigh-in time (no request for delay will be allowed or granted otherwise).
a. **The request must be submitted in writing (email is sufficient) to the respective Sport Committee Chair for review, to include a written certification of the injury or illness from a USAW approved medical doctor.** USAW’s approval of a medical doctor will not be unreasonably withheld. Further information on the appropriate Sport Committee Chair may be obtained by contacting Cody Bickley at cbickley@usawrestling.org.

b. If a certified medical doctor’s note is provided within the appropriate timeframe to support a 2021 Senior World Championship medalist or 2020 Olympic medalist’s request for a delay, the request for a delay in competition will be granted. If a delay is granted, the National Coach and the two athletes involved shall determine the date for conducting the Final Wrestle-Off for the 2022 U.S. World Teams Trials. If an agreement cannot be reached, then the style-specific Sport Committee will determine the date and place for the Final Wrestle-Off.

i. The wrestle-off must be completed at least 14 days prior the respective style’s first competition day at the 2022 Senior World Championships.

2. If a 2022 World Team member at any weight is incapacitated after the World Team Trials and prior to the World Championships, the style-specific Sport Committee shall assign the position to the next-ranked alternate at the weight in question up to and including the fifth-ranked wrestler from the World Team Trials, provided the next-ranked wrestler is able to make weight and is substantially completing World Team training requirements as determined by the Sport Committee and approved by the Executive Committee of USAW.

   a. For the purposes of this provision, the term ‘incapacitated’ shall mean an athlete has an injury or illness, as certified by USAW medical staff, which inhibits peak performance at the World Championships.

E. **World Team Trials Officiating and Pairing**

1. All bouts shall be officiated as prescribed by UWW rules – that is by an officiating team comprised of a referee, judge, and mat chairman. Their decision on all field of play aspects of the bout shall be final and shall not be subject to protest.

   a. Mat side video will be made available. Mat side review will be done in accordance with UWW rules. Upon review of action, the decision of the officiating team is final.

   b. The mat side computer and video shall be accepted as the official result of the bout, unless the officiating team determines that an error has been made.

2. Requests for information concerning the recording of results, pairing of contestants, or scheduling of bouts may be directed to the chief mat official and/or chief pairing master without the filing of a written protest.

F. **Protest Procedures**

1. **Protests concerning eligibility of a contestant, adherence to the terms of this document, and other matters of procedure (not including field of play aspects of the bout) shall be reviewed by a Protest Committee comprised by the following individuals:**

   a. President of USAW, or his designee, who shall act as chairperson.

   b. One or more members of the USAW Board of Directors as appointed by the Chairperson to the Protest Committee.
c. Athlete representation will consist of at least 33.33% of the Protest Committee (i.e., the number of athlete representatives is dependent on the number of other individuals on the committee).

H. Athlete Ombudsman

An athlete who has questions regarding their opportunity to compete may contact USAW and/or the USOC Athlete Ombudsman by telephone at 719-866-5000, or by e-mail at ombudsman@usathlete.org

I. World Team Training

1. All members of the USAW World Team will be required to follow the training schedule as established by the National Coach as referenced in the National Team Wrestler Agreement, whether or not the athlete signs the agreement. Failure to do so can result in fines and sanctions, up to and including removal from the National Team and/or World Team.

2. All members of the USAW World Team will be required to maintain a proper weight management plan that is developed with the USAW National Coach and USAW medical staff. Failure to maintain and follow the plan may result in the removal and replacement of the athlete up to the deadline of the athlete registration for the World Championships.

Challenge Procedure

What it is:

A “challenge” is a process where the coach is allowed, on behalf of the wrestlers, to stop the match and request the jury and mat chairman to watch the video if they disagree with the call by the referee team. This process will be available at USAW events that are designated for video review.

Who is on the jury?

The jury will be comprised of 1 or 2 referees that are assigned to that bout or mat during the competition.

Who will conduct the video review?

This will be completed by the jury and the mat chairman for that designated bout.

What is the process?

1. The coach must issue a request for a challenge when they disagree with the decision of the referee team. This should be made from the coaching area on the mat. The coach is not allowed to walk into the wrestling area.

2. To request a challenge the coach must throw a colored object (challenge block) onto the mat to notify the referee team. The color of the object will correspond to the color of the athlete. The challenge block should not be thrown in an aggressive manner toward the referees or athletes. Failure to follow these guidelines could result in a yellow or red card for the coach.

3. A wrestler may also indicate his or her desire to challenge a scoring action once the athletes have come to a neutral position or there is a natural stoppage in the match by gesturing or asking the referee of their desire to challenge.

4. The mat chairman will indicate to the referee to stop the match to review the challenge as soon as the situation becomes neutral or there is no imminent scoring at that moment.

5. If the wrestler disagrees with their coach’s challenge, they can reject the challenge by telling the referee or mat chairman they do not want to challenge, and the match will continue. If the coach requests a challenge after the athlete has rejected the challenge, the coach could receive a yellow card.

6. In the case of dispute between the referee team and coach or wrestler, the mat chairman is allowed to refuse the challenge only after the approval of the assigned jury member/s for that mat. If the size of an event is too large and not enough referees are available to act as jury members, the mat chairman will be allowed to deny a challenge as described below. The jury and/or mat chairman can refuse the challenge during the following situations:

   a. Confirmed falls and/or situations where a fall was not confirmed by the referee team. Challenges can be requested for fouls that occurred that led to the fall.

   b. Confirmed passivity.

   c. Challenges not made in a reasonable amount of time. Coaches must issue the challenge within a reasonable amount of time from when the scoring action occurred or when the points went onto the scoreboard. Wrestling is dynamic and this will be at the discretion of
the mat chairman and jury. **IF A NATURAL STOPPAGE OCCURS IN THE MATCH AND THE CHALLENGE IS NOT OFFERED PRIOR TO RE-STARTING THE MATCH, THE CHALLENGE WILL BE DENIED.**

d. Challenges made after the match has ended. The only exception is when points are added to the scoreboard after the time was out or when an action occurred just before the end of the bout.

7. The video will be displayed on a big screen monitor, projector, or TV if one is available for the competition. If one is not available, the jury and mat chairman can watch the video directly on the mat side computer.

8. If there is a technical problem and video is not available, the original decision will stand, and the coach will be given back the challenge block.

9. Each wrestler will be entitled 1 challenge per match.

10. If after review, the original decision is changed by the jury and mat chairman in favor of the wrestler who requested the challenge, then they will be granted another challenge to be used during that match.

11. If after review, the decision is confirmed by the jury and mat chairman or is not in favor of the challenging wrestler, that wrestler will lose the challenge and their opponent will be granted 1 point.

12. **Two challenge situations that could result in time being added back on the clock:**

   a. If a scoring action was determined to be a slip throw by the jury. The time will be set when the slip throw occurred. Any points scored after the slip occurred will be cancelled.

   b. If a scoring action or confirmed fall was determined to be a direct result of an offensive foul by the jury, the time will be set when the foul occurred.

13. All decisions made by the jury and mat chairman will be final and will not be changed. Therefore, it is not possible to request a counter challenge.

**Consultation Procedure**

The mat chairman has ability to watch the video with referee team during a consultation without a challenge being issued. This would not include the jury. After the decision of the consultation of the referee team, the action could be challenged and be reviewed by the jury and mat chairman.

At no time can the coach request a consultation by the referee team to review the video. Using video during consultations will be at the sole discretion of the mat chairman. If the coaches want to use video review for a situation, they must use their challenge.

In the case of a serious technical mistake not seen by the referee team (examples: timekeeper mistakes, wrong points or caution published on the scoreboard, mistake in resuming the bout in parterre or in standing position, declaration of incorrect winner, etc.), the jury member/s may interfere to correct the situation by consultation with match chairman or by video review. In no case may the jury member/s interfere with the refereeing team in regard to judgement situations such as how points were scored, passivity calls or negative wrestling calls.
Protest Procedure

Protests can only be made if a clerical error was made during the bout. For example, points were added or removed, and the score was not correct. In this situation, if a mistake has been made that affected the results of the match, the bout will be re-wrestled from the beginning of the period when the score was incorrectly posted. This is the only situation that can be protested at events that operate the video review process. If the clerical error was made in the first period of a match, the entire bout will be re-wrestled.

Fleeing the Hold and 3rd Caution Procedure

For Fleeing the Hold at the end of the match or for a 3rd Caution to be granted, only the mat chairman must confirm with either the referee or judge for this to be valid. They will no longer require a unanimous agreement for these to be assessed. This will be consistent with all the other cautions given. Both situations can be reviewed if a challenge is issued.
